

Made from aluminium with red or white paint and black ABS seat/backrest.

HA+ POWER STAIRWALKER

Incorporates electric tracks to allow effortless manoeuvrability of stairs.

The HA+ Power Stairwalker offers electric tracks which allow ease of movement over the rise and fall of stairs.

It is equipped with four wheels, two telescopic handles, two rear handles and a safety belt.

Manoeuvrability is also enhanced via the fast folding system.

Visit our website for instructional videos about usage of the HA+ Power Stairwalker.

HA+ Power Stairwalker Benefits

- Easy operating for ascent and descent of stairs via track.
- Reliable emergency stop button and safety belts.
- Waterproof, long-life, quiet motor.
- Foldable, compact, light-weight.
